Merthyr Tydfil Sailing Club

Comet

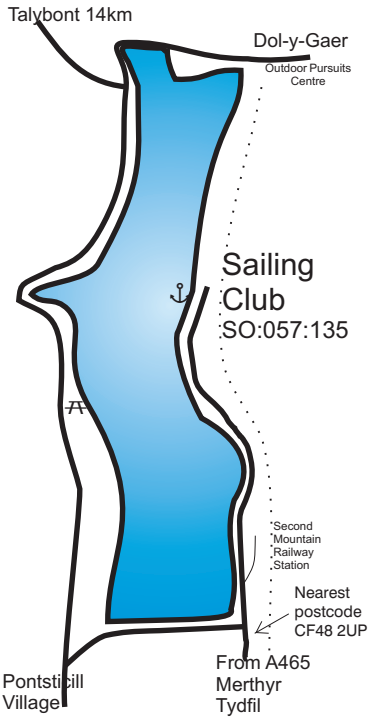
Open Meeting, Sunday 30th September 2018, Briefing 11:00 am

An event of the Comet Class' Western Aphelion series.

Come and sail in the beautiful Brecon Beacons National Park at probably the highest sailing club in the country!

Less than ½ hour from M4, J32 and Monmouth (A449/A40) our club is easily reached from the midlands, southern and western England. Just 4 miles from dual-carriageway trunk roads, follow the Mountain Railway signs from the A465 north of Merthyr then look for the club signs.

Plenty of local B&B is available within a mile or two and an excellent camping & caravan site is only a few miles away. See the website for details.



All refreshments and a buffet lunch will be included in the entrance fee of £13 per Comet; also available to supporters for £3.50 each. Please try to let us know approximate numbers in advance
